

ITTC 2024

INTERNATIONAL CONFERENCE & EXPO

AGENDA

November 26-27, 2024,
Ashgabat, Turkmenistan

III International Conference and Exhibition «International Transport and Transit Corridors: Interconnectedness and Development – 2024» in Honor of World Sustainable Transport Day

Pre-Conference Day

Monday, November 25

10:00-19:00 **Delegate Registration at Archabil Hotel**

19:00-22:00 **Reception at Archabil Hotel**

Day 1: World Sustainable Transport Day

Tuesday, November 26

10:00-12:00

Exhibition Opening Ceremony and Tour

Chamber of Commerce and Industry of Turkmenistan

12:00-13:30

Lunch at **Archabil Hotel**

13:30-14:30

High-Level Plenary Session

Welcome Address and Keynote Speech:

Mammetkhan Chakyev – Director General of the Agency for Transport and Communications under the Cabinet of Ministers of Turkmenistan

Moderator:

Speakers:

14:30-15:30

Session 1

Transport Transit Corridors and Intermodal Connectivity

Role of interregional transportation systems, exploring the potential of seamless transportation across various modes

Moderator:

Speakers:

15:30-16:00

Coffee break

16:00-17:00

Session 2

Financing Sustainable Transport

Discussing innovative financial mechanisms and investment opportunities to support sustainable infrastructure projects and strategies implementation.

Moderator:

Speakers:

17:00-18:00

UN Road Safety Campaign "Safe Roads for All"

The campaign led by the UN Secretary-General's Special Envoy for Road Safety will focus on raising awareness and showcasing best practices

Moderator:

Speakers:

19:00-22:30

Dinner at **Bahar Restaurant**

Day 2

Wednesday, November 27

09:30-11:30

Second Ministerial Meeting of the Group of Friends of Sustainable Transport

Main agenda items:

- Updates on the Group's achievements, and the activities report.

Women in Transportation: Leadership and Growth Opportunities

Side-event will focus on the role of women in the transport sector and their impact on the development of the industry. Participants will learn success stories of women leaders, discuss current initiatives to support and promote women in the transport sector, and share experiences in developing an inclusive corporate culture.

Moderator:

Speakers:

11:30-11:45

Coffee break

Day 2

Wednesday, November 27

Session 3

11:45-12:45

Innovations for Transport Corridors: Towards a Sustainable and Digital Future

This session delves into the synergistic relationship between sustainability and digital innovation in the realm of international transport corridors. Participants will explore cutting-edge technologies like AI, blockchain, and automation, and their potential to revolutionize logistics and reduce environmental impact.

Moderator:

Speakers:

Side-event:

11:45-12:45

New Horizons in Industrial Transport: Modern Approaches and Projects

This side-event will delve into the latest advancements in industrial transport, focusing on the production of electric and autonomous vehicles, the development of innovative rolling stock, and the optimization of multimodal transportation. The event will also explore infrastructure development, border crossing efficiency, and enhanced security measures to create more sustainable, efficient, and secure industrial transport systems.

Moderator:

Speakers:

12:45-14:15

Lunch at **Archabil Hotel**

14:15-14:45

Treaty Event

Session 4.

14:45-15:45

Emerging Technologies and Sustainable Transport in the Context of Climate Change

This session will focus on cutting-edge technologies and advanced strategies to promote sustainable transportation, electric mobility and renewable energy. Participants will examine the critical role of transportation in addressing climate change, analyzing the latest climate agreements from COP29 and discussing effective strategies to reduce greenhouse gas emissions. The outcome of the conference will be summarized in a final declaration containing key conclusions and recommendations

Moderator:

Speakers:

Day 2

Wednesday, November 27

14:45-15:45	<p>Side-event:</p> <h3>Transport hubs and corridors as key links in the global logistics network</h3> <p>A parallel event will focus on the logistical aspects and future prospects of cross-border freight terminals for the development of transport corridors as drivers of international logistics. Special attention will be given to multimodal solutions to enhance cargo flows at the border.</p> <p>Moderator:</p> <p>Speakers:</p>
15:45-16:00	Coffee break
16:00-16:30	<h3>The conference outcomes will be summarized in a final declaration containing key conclusions and recommendations, as well as an address from the conference participants to the esteemed President of Turkmenistan</h3>
